

THE PIOCHE WEEKLY RECORD.

VOL. XLVII.

PIOCHE, NEVADA, THURSDAY, JANUARY 7, 1897

22015
NO. 14.

Commissioner's Proceedings.

Monday's meeting of the Board of Commissioners was the first of the year and two newly elected members took their seat; John Simpson, who was elected for long term for four years, and James Giles, who was elected for the short term of two years. Luke Syphus, the holdover member, was elected chairman for the next two years after new members had taken the oath of office.

The first business taken up was the appraisal of the newly filed bonds. One by one they were examined and approved and with each approval term of the old officers expired. The bonds contain the names of the old trustees, principally the business men of Pioche and DeLamar.

Geo. S. Sawyer appeared and waited assurances that the interest tax would be levied to pay the claim of Samuel Davis of San Francisco, but the assurance was not given, the desire of the bond being to await the insulator's order of the court for the purpose.

A petition was filed from Hiko asking for the appointment of Luis Stern as Justice of the Peace. The appointment was made, bond in the amount of \$1000.00 to be filed within 30 days.

The subject of employing a physician for the county at a stated monthly salary was discussed, but was not determined upon principally for the reason that it is questionable where one will be most needed, at Pioche or DeLamar.

Sheriff Freudenthal submitted to the Board the name of Jake Johnson for Deputy Sheriff, and of John Ewing for Deputy Assessor, each at a salary of \$50., per month. These appointments met with the approval of the Board and so entered. This continues the arrangement of the past year by which saving of several hundred dollars is made over what would be required if each deputy was employed to perform work only when needed.

SENATOR JONES.

He Predicts a General Revival of Good Times.

Senator John P. Jones arrived in Carson this morning, staying over until afternoon when he departed for Gold Hill by private conveyance. This Senator is looking much better than when here last and his excellent spirits.

What asked for an opinion concerning Nixon's candidacy he had little to say.

"As far as living in Santa Monica I have never made a practice of telling the public with my private affairs, but it is to about '88 I lived in Gold Hill with my family. My mother lived with us. She was 83 years old, very frail and nearly blind, and as unable a woman as ever lived. The ground there is very precipitous. My little daughter was afflicted with motor trouble, and Dr. Brown, a very eminent physician, said that she would die with hard disease, and advised a change to the sea level,

"So my family went down to Santa Monica and stopped in a hotel there. A short time after I received a letter from my wife informing me that, contrary to the doctor's expectations, my little girl was slowly recovering, and suggesting that she would prefer to set up housekeeping to stopping in a hotel, but there were no dwellings that could be rented. I telegraphed her to build a house, and she did, down close to the sea there. I never saw the house until eight months after its completion, and I have not spent six months in Santa Monica in my life, and have retained my residence in Nevada. Shall I have allowed my child to die in a high altitude?"

"Mr. Jones is at a loss to force you to spend money with the Silver party papers, that they made demands on you before election which did you most."

Mr. Jones simply said that as a legislator he had obeyed the law in all respects, and when asked if there was anything in the rumor that Nixon was backed by Newlands replied.

"I cannot credit it. Mr. Newlands is friendly to me so far as I know."

He then said so far as his future course was concerned he would vote with the Republicans on the tariff legislation and in a general way predicted a vast improvement in the times in 1897.—Carson News.
